ANOTHER WORLD IS POSSIBLE: CREATION VOL. 3 (DVD1118)

God took dirt and breathed life into it. And then there was humanity. Humanity took life and breathed dirt into it. And now we have a mess. We are made in the image of a Creator, and yet much of what we have created has made the rest of Creation groan for liberation. In this volume, a host of ordinary radicals invite us to think about what it means to care for the earth, and to be co-creators with a God of beauty rather than destruction.

We will see toxic lots become gardens, trash turned into fashion show glamour, used vegetable oil become fuel for diesel engines – ugly things brought to life. There really is the sense that maybe, just maybe, conversion can mean that the world will look different than it does now.

Maybe its too much fun for a single volume, but the big-top circus hits the inner city and a group of intergalactic superheroes visit earth & some young collaborative artists teach us why the prophets say that a child will lead us into the dreams of God. That's what we're talking about: Creation.

For a man with so much hope for the future, Joseph spent a good part of his life rejected, abandoned, and imprisoned. How did he endure the abuse, betrayal, disappointment and injustice so prevalent in his life? This four-part series takes a look at how the choices Joseph made helped him overcome every obstacle life threw at him.

Includes these clips:

Joseph - Abandoned (CLIP) (02:22)(3:08)

Born into a life of privilege, Joseph was his father's favorite son, and he dreamed of power and glory. This dramatic video illustration shows how Joseph's road to success was wide and open until one day, on a routine errand, his life drastically changed.

Joseph - Promoted (CLIP) (03:27) (4:20)

Difficult times do not equal failure. The hardships Joseph endured prepared and strengthened him. This dramatic video illustration reveals that once Joseph had matured into the right man for the job, God presented the opportunity for his leadership.

Joseph - Tested (CLIP) (01:12) (1:58)

Decisions we make under pressure reveal who we really are. When Potiphar's wife tried to seduce him, Joseph had to make a split-second decision. This dramatic video illustration demonstrates that as usual, the right choice was not the easy one.

UPRISING: A REVOLUTION OF THE SOUL (DVD9524)

It seems like anyone you talk to these days desires change. They wish they looked different, had a different job, or were better at this thing or that thing.

What you've probably discovered is that you can change your appearance, your habits, your friends, your job... but you can't change your character. At least, not on your own.

With that thought in mind we've partnered up with Erwin McManus to create a small group study based on his wildly popular book, Uprising.

In this study, Erwin teaches us that there's one thing you can't change about yourself and that's your character. Only Christ can transform us from the inside. In each of the six sessions, Erwin provides Biblical and practical teaching that will challenge your group to allow God to transform their character to be more like His.

The Uprising Study Kit Includes:

- 6 Video sessions with personal insights from Erwin McManus (approx. 15 minutes each)
- 6 Powerful real life stories that your group will relate to
- In-depth 80 page Leader's Guide
- 6 workbooks for your group

BOLD LOVE TAPE 1 (VHS9982)

Tape 1 of 2 -- We've come to view love and forgiveness as little more than acting pleasantly, yielding to the will of others, and ignoring offenses. But this definition leaves us with either shallow, passionless relationships or suppressed frustrations toward those with whom we live or work closely. In this video series, Dr. Allender undermines our traditional notions of love and shows us that love is much more -- and much different -- than merely "getting along" with others. Instead, accompanied by dramatic vignettes, Dr. Allender introduces a creative new way of relating -- one that has the capacity to make a significant, life-changing impact on all those we come in contact with, whether they be family, friends, coworkers, or even enemies. This series will help you and your group discover: the surprising goals of biblical love; what it really means to turn the other cheek; how to help someone see what he or she is doing to others; what it means to honor a wicked person; how to love a violent person without suffering continued damage; how to be shrewd without being manipulative; when to let something slide and when to confront.
